HW/Ext

3. Alina and Bethany make a number using Base 10.

Alina

The number bond 7 + 3 will help me add to the next 10.

Bethany

The number bond 6 + 4 will help me add to the next 10.

Who is correct? Explain how you know.

Homework/Extension
Add to the Next 10

1. A. 9; B. 4; C. 2; D. 6

2. B

3. Alina is correct because the Base 10 shows the number 37 and the number bond 7 + 3 will help to calculate 37 + 3 = 40.
