

## Key vocabulary – EYFS

Mathematical areas of learning	Key vocabulary
Number and place value	subitise patterns, finger patterns, staircase counting numbers hiding within different ways counting sequence
Addition and subtraction	How many? How many altogether? One more than. One less than How many more? How many less? add subtract
Multiplication and division	Groups, sets doubles equal and unequal groups 10-frame odd/even numbers repeated pattern
Fractions	doubles – two equal groups whole parts of a whole
Measurement	Compare, sort, order big, little, small, large, tall, long, short mass/weight heavier/lighter/heaviest lightest full, nearly full, empty, nearly empty, half full, tall thin narrow, wide, shallow longer/shorter, taller/shorter, wider narrower day, today, yesterday, tomorrow autumn, winter, spring, summer now, before, later, soon, after, then, next first, second, third, fourth etc past, present, future
Geometry	3D shape, 3D models 2D shape, 2D models combine shapes compare, sort repeated pattern position next to, over, under, around, beside, through, between movement, turn, forwards, backwards, to the side
