Living and learning together with God

Friday 4th September 2026

Welcome , everyone!

It has been wonderful to welcome you all back and see so many happy faces in the classrooms and around school. We welcome our new children and their families throughout the school.

Chestnut Class have settled amazingly well, taking lunch in their stride and finding their feet. They have enjoyed watching the builders completing their new outdoor learning area, and we have promised Elm Class and the older year groups they will have a chance to explore it over the next week or two.

Watch out for photos in next week's newsletter!

RE in the spotlight - early days...

Miss Dennis asked the class 'Do you know what is a place of worship?'

A child replied, 'When you go into a space ship.'

School drop off and pick up

We would like to take a moment to celebrate those parents who consistently demonstrate responsible driving and parking during drop off and pick up times. Your commitment to the safety of our children is truly appreciated. Furthermore, we would like to thank the families who choose to walk to school or 'park and stride' from nearby streets. Your efforts contribute to a healthier lifestyle and alleviate congestion.

However, we must make a polite but firm request to all parents not to reverse or attempt to turn vehicles in the road by the school gates. This poses a significant danger to the children walking into school.

Similarly, parking on the corners at the bottom of the road, on pavements or on the white lines obstructs the road for parents coming and going from the village car park, causing congestion and further danger.

The safety of children is our top priority and everyone's responsibility. Please pass on this message to anyone who drives to school. Thank you for your understanding and cooperation in this matter.
